**SMART STYLE**  
FREESTYLE TERRAIN

This Orange Oval symbol designates Freestyle Terrain such as parks and pipes. Smart Style represents Freestyle Terrain safety. Know it. Respect it. Use it!

**Make a plan.**  
Every time you use freestyle terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.

**Look before you leap.**  
Scope around the jumps first, not over them. Know landings are clear, and clear yourself out of the landing area.

**Easy style it.**  
Start small and work your way up. (Inverted aeriels not recommended).

**Respect gets respect.**
